

**SARAJEVO CONFERENCE
4th H & mH**

CONFERENCE THEME:
**THE IMPORTANCE OF PLACE
SARAJEVO JUNE 13-16 2011**

Venue: Architecture Faculty in Sarajevo
www.bhcicop.co.ba

The main topics of the conference is to emphasize and explore the importance of all physical (urban built heritage) and metaphysical (ethical, social...) characteristics of place on the process of re-design

AIMS

The most important is our conviction that heritage should be preserved for all people and future generations, and that preservation of heritage is one of basic human rights. In order to have an impact it is necessary to collaborate on international level, byx institutions, scholars and individuals in order to safeguard culturalč identities of regions, peoples and individuals.
